**Message From the Governor.**

Governor's Office,  
Austin, Texas, March 13, 1915.

To the Thirty-fourth Legislature:

I herewith return to you Senate Bill No. 175, the same being an Act to exempt Bosque County from the provisions of what is known as the Fish and Oyster Law of the State with my disapproval.

I can not see my way clear to approve this bill for the reason that it would set the precedent of any other county in the State being relieved from the valuable protection which the Fish and Oyster Law provides. If this county were exempted, then any other county could not be denied the same right, and I have been unable to find any reason for this special legislation.

For this reason the bill is returned, respectfully disapproved.

JAS. E. FERGUSON,  
Governor of Texas.
